RE: ADDENDUM #1
2018-07 AUDITING SERVICES

Please see below information for clarification purposes for the above referenced bid.

(Q) Does WEOC expect any major changes to its federal programs in the near future (i.e., are there any major new programs WEOC expects to pursue that would significantly add to the schedule of expenditures of federal awards)?

(A) Increases and decreases in our funding will depend on government appropriations. The Agency is seeking to apply for one additional grant, but this would be an expansion to an existing grant.

(Q) The proposal specifies that one hard copy of the proposal should be mailed (or delivered in person) to the WEOC Administrative Office. Would WEOC like any digital copies of the proposal as well?

(A) We do not wish to have any digital copies of the proposal.

(Q) Could you please provide how much WEOC paid in audit/tax fees in the prior year?

(A) Waccamaw EOC, Inc. paid \$19,000 for the completion of our 2017 audit.
