The purpose of this solicitation is to qualify and acquire licensed HVAC, Electrical, & Plumbing Contractors for the Waccamaw Economic Opportunity Council, Inc. Weatherization Program. All HVAC & Electrical Contractors are to be licensed by the State of South Carolina.

Synopsis

Waccamaw Economic Opportunity Council, Inc. is seeking Statement of Qualifications from HVAC, Electrical, and Plumbing Companies wishing to be pre-qualified to propose on HVAC, Electrical and Plumbing services for its Weatherization Program. Primary factors to be considered are background, past performance, experience, financial stability, capacity to perform, and safety.

Contractors selected as the most qualified will be placed on the pre-qualification list for this project. A Request for proposals will be issued to pre-qualified firms on an as needed basis.

Description of Work

Basic services including providing all parts, materials, tools, equipment, labor, job knowledge, supervision, and support to properly operate, maintain, and repair or replace all included equipment and/or replace all included equipment and systems according to the purpose for which they are intended, the manufacturers' recommendations, normal procedures required by the Weatherization Department and in the best interest of Waccamaw Economic Opportunity Council, Inc. The types of heating systems in the homes that we service are forced air, gravity, space heater, boiler, wood stove, water heaters, unvented, and cook stoves. The types of fuels are natural gas, LP gas, oil, kerosene, electric, and wood.

Minimum Requirements

To be considered for prequalification; the company must be financially capable; possess and provide copy of applicable license(s) as required by the State of South Carolina for this type of work. Proposals are subject to the approval of the Office of Economic Opportunity Governor's Office Weatherization Program.

Licenses

The Contractor shall have, maintain, keep current, and upon request shall furnish evidence that he/she has all applicable licenses required laws or regulations of the State of South Carolina and/or any other authority having jurisdiction. This work will be done in Horry, Georgetown, and Williamsburg Counties.

Subcontracting

Subcontracting of services will be permitted only as so far as it is clearly in the best interest of Waccamaw Economic Opportunity, Inc. and the Weatherization Program. A clear majority of service operations shall be carried out by persons in the direct employee of the approved Contractor who will not be permitted to act as a broker for services.

Service

Serviceman shall be fully trained, qualified and experienced in the trade, service, or specialty which they are to perform and shall be well suited to working in the Weatherization Program environment. The Weatherization Director may decline or refuse the services of any serviceman with whom it is not satisfied in this regard.

Required Licenses and Upgrading

The Contractor shall assure appropriate personnel possess all necessary licenses, and continually upgrade adequate numbers of appropriate personnel as necessary to satisfy all requirements of this contract and of all regulatory authorities having jurisdiction, whether or not such requirements are

stated herein or in effect at the time proposals are taken. The Contractor will be required to provide licensing and certification documentation to the Weatherization Director for any employees working in the Weatherization Program.

Neither faxed nor verbal submissions will be accepted. All submissions must be sealed and marked as follows on the outside of the envelope.
