

Waccamaw EOC Executive Director Gets Vaccinated

Submitted By: Crystalyn A. Foster, Executive Assistant

On Wednesday, February 17, 2021, James L. Pasley Jr., Executive Director/CEO for WEOC, Inc. received his first Pfizer injection of the COVID-19 vaccination at McCloud Regional Hospital located in Florence, SC.

As vaccines become more widely available, the agency is strongly encouraging staff who don't have underlying health conditions to get vaccinated when the vaccine becomes available. Your vaccination will help protect you and the people around you.
